Honorable Judge Kathleen Cardone  
I'm asking you to please considerate me  
an extension of time for me to respond  
you back. For the reason that I'm still  
waiting for my transfer and I don't  
have access to my legal paper work,  
I also don't have the new address of the  
next prison I'm going to. The warden of  
this prison tells me that in the next  
15 to 30 days I will be in the next  
prison. As soon as possible when  
I arrive I'll get in contact with you  
Honorable Judge Kathleen Cardone.

Respectfully yours
